IMPORTANT NOTICE

Every registrant.—When you report for armed forces physical examination you will be forwarded to a Joint Examining and Induction Station where you will be given a complete physical examination to determine whether you are physically qualified for service. Upon completion of your physical examination, you will be returned to this Local Board. You will be furnished transportation and meals and lodgings when necessary. Following your armed forces physical examination you will receive a certificate issued by the commanding officer of the station showing whether or not you are acceptable for service in the armed forces.

If you fail to report for armed forces physical examination as directed, you will be delinquent and will be immediately ordered to report for induction into the armed forces. You will also be subject to fine and imprisonment under the provisions of the Selective Service Act of 1948.

If you are so far from your own Local Board that reporting in compliance with this order will be a hardship and you desire to report to the Local Board in the area in which you are now located, take this order and go immediately to that Local Board and make written request for transfer for armed forces physical examination.
